Sir:

REPLY UNDER 37 C.F.R. § 1.116

This reply is filed in response to the final Office Action mailed May 22, 2000.

Prompt and favorable reconsideration of this application is respectfully requested in view of the amendments and remarks provided below.

IN THE CLAIMS:

Please amend claims 1 and 7 as follows:

1. (Twice Amended) A method for selectively inducing production of butyrate by bacteria in the human colon comprising administering D-tagatose to a human in an amount effective to selectively induce production of butyrate.
